

LIGHTNING | LOW PROFILE RACING GOGGLES

3.45.073

Performance racing goggles

GOGGLES / RACING

1 LENS INTEGRATION TECHNOLOGY
Goggle frame and lens are fused together to reduce drag

2 SILICONE EYE GASKET
Provides added comfort and a watertight seal

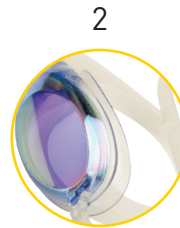

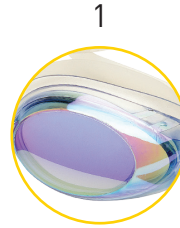

3 DUAL SILICONE STRAP
Distributes pressure evenly around head

LOW PROFILE LENSES
Designed for competition to reduce drag and increase speed

QUICK CLIP
Designed for easy strap adjustment

UNIVERSAL FIT
Four interchangeable nose pieces to accommodate all face shapes

PRODUCT DESCRIPTION

Lens integrated technology fuses frame and lens together to create the lowest profile competitive goggle. Four interchangeable nosepieces and a quick-clip adjustment strap make for a universal fit.
